

ANNUAL REPORT 2020-2021

NATIONAL SERVICE SCHEME (NSS), CELL WAIKHOM MANI GIRLS' COLLEGE, THOUBAL OKRAM

Prepared by
P. Robinson Singh, P.O. NSS Unit- III

INTRODUCTION

The traditional academic activity and functioning of the various Institutions came to halt in the state due to the surge of Covid-19. Due to the complete lockdown in the state, last quarter of the academic year 2019-2020 and first quarter of the academic year 2020-2021 was delayed from the scheduled timeline. NSS volunteers took active role in spearheading the fight against Covid-19 by preparing hand sanitizer, face mask and distributing it to the needy ones. NSS Cell of the college also organised awareness programmes at village level and P.O. and volunteers donated blood during the first wave and second of the Covid-19. Our volunteers were actively engaged and participated in the online courses on Covid-19, hundreds of volunteers installed Arogya Setu App in their mobile phones. Various important days such as International Yoga Day, World Environment Day, Unity Day etc. were observed either with very limited number of volunteers or in the home itself. The college in the first wave of Covid-19 was utilise as the Covid Quarantine Centre for at least 5 months and thus restricted all the college official and NSS activities. After vacating the Covid Quarantine Centre from the college campus, proper sanitization was done with the help of health department and our volunteers cleaned the campus to restore its previous structure and beautification of the college campus was done by planting trees and flowers. Our college being easily accessible by any means of land communication and massive infrastructure facilities available in the campus, attracted the district administration yet again in the second wave of the Covid, thus resulting it to be utilised as Community Covid Care Centre. The district was hit hard by the second wave and the three storey Girls Hostel Building was not enough to accommodate the inmates, all the available classrooms, seminar halls were utilise this time. It was a big challenge for our college administration to restore the college to its previous form and make it student/teacher/parents/visitor friendly environment. The discipline and the motto inculcated and instilled in our volunteers tirelessly did the restoration and beautification of the campus. We believe in all round development of the volunteers, academics being the most important it is necessary to develop and instil the competitive spirit and nature to our volunteers. During the academic year 2020-2021 many of our volunteers participated in several district level and state level competitions like Declamation contest, Quiz Competition, Talk Competitions etc. and all of them succeed in bringing laurels to the college by securing 1st, 2nd, and 3rd prizes. The details will be highlighted in the following pages. We also deputed our volunteers for master trainer training programme under Nasha Mukta Bharat Campaign. We take pride in serving the society and the country.
